# Annual President's Report for 2017

Well another year has gone actually where has it gone as they say time flies when you're having fun.

We have had a successful year again. The Toomby's Weekend is getting bigger and better (I hope). The beef raffle was a great success bringing in \$3000.00, with the Railway Estate School receiving half to go towards their new badly needed

playground. Geoff and Vicky did the presentation of the cheque at the school's parade. I would like to thank our Sponsors for their continued support and enabling us to hold this great weekend in August.

As most people are aware Maureen and I were not going to run for office this year, but as no one put their hand up we have decided to stay on. We are doing this in the hope we will receive help with the physical work which we are no longer capable of doing. REMEMBER this is YOUR Club. It is fine to come along and perform but this is only possible because of a dedicated few that gets the soundgear, chairs, tables, etc. ready. You may not be able to get there to help set up and that's fine but give a hand to pack up some chairs or fold up some leads (they're not heavy). Only last week a couple of Members put their hand up to cook the sausage sizzle as they had to leave early because of work commitments and could not help with the pack up. To the workers who have assisted throughout the year with not only setting up the venue but the numerous sausage sizzles that help to pay for our Polo Cross Jam sessions and the Christmas Party as well as some of the running cost a big THANK YOU to you all and I hope you will continue to help in the coming years.

To our Management Committee I thank you for your hard work and support throughout the year. Val Peters our Treasurer is not standing this year and she will be missed on the committee. Thank you Val from the bottom of my heart for your efforts throughout the year.

In closing a club is like a team whether it be a Rugby, Soccer, Basketball or League and there is no I in Team.

Country Always

*Darryl*
