# *President's Report for January*

G'Day All,

Well 2016 has gone and we are looking towards 2017 functions starting again on Sunday 12<sup>th</sup> of February with the Funday. The Friday nights have been cancelled until further notice.

Shane Barratt has resigned as Vice President and Property Officer owing to personal reasons, and I would like to take this opportunity to thank him for his help and his dedication to the club, and look forward to seeing him come along and play his pedal steel.

We have picked up a Bunnings Domain sausage sizzle in June and also some Fairfield Waters throughout the year and will still have monthly sizzles at Intersports/Toyworld. If you can help with any of the sizzles please let Maureen know.

As soon as things settle down from the holidays we will start organising the Toomby's weekend, which is starting to look bigger than ever. Some sites have been booked already.

To all that are on the sick list we hope you are feeling better and look forward to seeing you in February.

Only a short report this month but we are all enjoying the break, so until next time

Country Always

*Darryl*

**JOHN LECNER** has stepped into the professional recording arena with his new album **"Past & Present"**. Many country music fans may remember his stint on the famous Rick & Thel Road-show some years back and he has now fulfilled his dream of recording several of the hit songs he is renowned for singing augmented by worthy self-penned original songs.

John has been involved in the music industry for over four decades starting with bands in Adelaide, while still attending college and then criss-crossing Australia as part of Country Music Shows and as a 'one-man' entertainer. A stop-over in Tamworth in 1981 saw John receive an award as a finalist in the annual Star Maker Quest.

Over the years John travelled along many dusty roads driven by the desire to bring his style of country music to isolated communities along the way and the arrival of the travelling coach is still remembered by many members of those communities. After many years on the road John followed his heart and settled in Port Lincoln in July 1984. From this base John enjoyed bringing his style of cabaret and country music to venues all over the Eyre Peninsula.

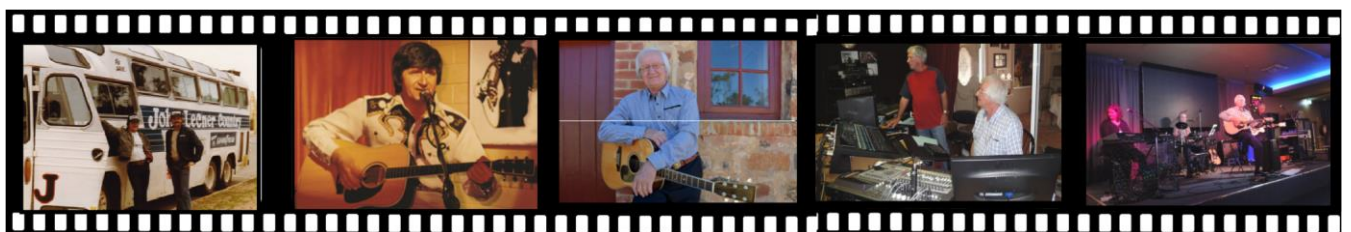

After taking a break from live entertainment John picked up the guitar and stepped back on stage in North Queensland in 2014. Finding he still has the passion to play music, John continues to entertain as a guest artist at charity events and Country Music Shows both in his hometown, Port Lincoln and interstate.

Over the years John has continued to write lyrics and music and his latest album **"Past & Present"** features six evergreen favourites along with six of his own songs. This new album was recorded at Lindsay Butler Studios in Tamworth with legendary producer Lindsay Butler OAM at the helm and is now proudly released by LBS Music Australia. The Album showcases John's particular style of music; country ballads sung with 'Heart & Soul'.

"The six original songs included in this album each tell a story of aspects of life as I saw them at that time.

*"Nobody Told Me"* is a song close to my heart, written as I observed Pop interacting with our family. Pop was a returned soldier and he loved to tell a yarn as he shared his knowledge in his own gentle way. *"Bless Mummy And Daddy"* - thought provoking and timeless lyrics that may bring a tear to the eye and a smile to the face. *"Seems Like Everybody loves Country Music"* reflects on the pleasure of getting away from everyday life and listening to country music in the great outdoors. Life on the road and the challenges of constantly moving on are highlighted in *"I Just Need A Friend"*. The lyrics for *"I Don't Believe"* were inspired by my belief in the important role the strength of personal relationships plays in shaping our lives. *"Truckers Heaven"* is a satirical look at the life of a long haul truck driver. The lyrics are penned with humour and the beat of the music reflects the motion of a big rig on the open road."....John
