PRESIDENT'S REPORT

Hi Country Music Members

What a great month of country music we have had!

Bow Hunters, both times we were out at their club and performed our music, I received great feedback from their president Tom Bruce and his committee on how great our club and performers go about our setup and pack up and our performances on stage. Well done to all concerned.

Toomby's weekend (in my opinion) was a great success. The amount of singers and musicians in all venues was very pleasing. Our Fun-days, Jam sessions, and Bellevue hotel days can go back to normal and our singing voices and musician fingers can have a rest.

There has been a change of date for the Bellevue Hotel. It is now on the 22nd September instead of the 29th September as we have a sausage sizzle on the 29th September.

A big THANK YOU to all the people that helped to set up and pull down the stage and equipment at all events.

I hope the club continues to grow and run as smoothly as it is and we continue to enjoy our Country Music

Yours in Country Music

Greg Milner

A MESSAGE FROM OUR COMMITTEE

Our Country Music Lifestyle weekend held at Toomby's Wonderland, Alice River was an enormous success. As your committee, we would like to thank you for your input. Positive comments and praises were the order of the day concerning our performers and the general running of day to day activities.

Our thanks and appreciation to all club members is well justified by those who went beyond performing on stage to volunteering for other duties.

Thanks to Darryl, Maureen, Shane and Veronica for carrying out their enormous workload, as they have for the past 6 Years.

In the beginning this event was started as a conversation between Darryl and Geoff Toomby and has evolved to what it is today. It has and will continue to go from strength to strength.

As a new committee we are still learning as we go. We are aware that there are undercurrents of uneasiness and mistrust in the way we are now running the club. Please put your faith in us. Our goal is to become one big happy family, which cannot be obtained without the help of every single member of the club.

An event of this nature doesn't go without some negativity. Lack of horse demonstrations, changing of venues, issues with the catering, and non-club members not being able to perform have been some of the negative comments we have encountered.

To elaborate on one negative point that we feel was highly detrimental to the workings of this club was the Horse demonstrations. Geoff approached the club Saturday night with some damaging information. His disappointment was mainly aimed at the Committee not wanting to have his horse demonstration for the event. At this point he also stated if we weren't satisfied to find another location to hold our event.

I would just like to set this record straight. At no time have we ever suggested no demonstration. In fact, we asked Geoff in a meeting a week before what times he wanted to run the demonstration. His response – "He wasn't doing it as he was under a huge workload due to the recent flood event in February." We felt it was a fair reason and left it at that.

After the confrontation with Geoff it was revealed a miscommunication of some kind has taken place by club members without direction from the committee. This left the committee in bad light because we were unaware of said events.

We have conversed with Geoff and rectified this situation also stating the use of his property is perfect for our event.

In addition, we have taken onboard all other negative feedback and moved to rectify them.

Please people, pass on truthful information concerning the club or else it will become detrimental to the clubs wellbeing.

In closing, the weekend was great. We had bigger numbers of campers, we all had a chance to socialize with friends and family without too much of a workload.

Thank you everyone, for your support and we will continue to do our best for our country music family.

Cut-off time for signing up to perform at the fun-days is 2pm. Get in early to put your name up in a position that you would like to perform.

We are in need of more people to assist at the sausage sizzles held each month.
