PRESIDENT REPORT:

G'Day everyone, a Merry Christmas and Happy New Year to all.

Well, we have now come to the end of a remarkable and interesting year. I would like to thank everyone for their continuing support throughout the short year that we have had, and hope you all return next year healthy and happy for a new year of country music.

Firstly, I'd like to introduce myself, for those people I have not yet met.

I have been around the country music industry for quite some time now, both as a club member in Cairns and Townsville, as well as being part of professional bands, both country and rock and roll, playing guitar and mandolin. I originally came from Canberra up until the early 80's, then moving with the family to Brisbane when they perused new business opportunities. After several years in the retail industry we then moved to the far north area and I spent four years as a student at Saint Augustine's Catholic College, whilst my father then took on the role as CEO and Accountant with the State Government at various remote Councils. Once leaving school, I then moved back to Brisbane to peruse my own career in the building industry, which I am still a part of today. During this colourful life history, I have always had one foot in the door with country music. Yes, I was one of those kids running around a club, peoples' places, Slim Dusty concerts, and the annual Tamworth festivals. I started playing the guitar and mandolin when I was about 10 years old and still play them today.

Monthly Events.

The Bow Hunters evening was a great success and the feedback from the Bow Hunters Club members was very welcoming. I have been advised from the President of the Bow Hunters Club, that they are happy for us to return next year for their annual two day shoot out and Christmas party events. The music was great, and I would like to thank all of the Club members who attended the night with their continuing support. I'd also like to pass on a very special thank you to the Club members who helped with organising and setting up of the Club gear for the event. Thank you to Darryl, Dylan, Roger, Greg and our always supporting Committee members, which we would be lost without.

The Christmas party was a nice time to catch up and chat about the year gone by with a great lunch served, very colourful outfits, happy faces, presents for all and then a very special visit from our Christmas legend, Santa! The shorts and legs were a bit of a worry though! Thank you again to all those people who put their heart and soul into making the Townsville and Thuringowa Music Club a place to be for everybody to enjoy and excel.

Cheers,
Jamie Davis

NEW YEAR'S EVE JOKES

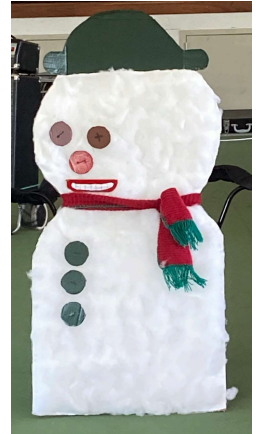

My new year's resolution is to be more optimistic by keeping my cup half-full with either rum, vodka, or whiskey.

Many things can be preserved in alcohol this New Years Eve. DIGNITY is not one of them.

Remember you can reset your resolutions on January 14th (Orthodox New Year) and January 25th (Chinese New Year). After that, even I can't help you.

On New Year's Eve, Marilyn stood up in the local pub and said that it was time to get ready. At the stroke of midnight, she wanted every husband to be standing next to the one person who made his life worth living. Well, it was kind of embarrassing. As the clock struck, the bartender was almost crushed to death.
