# *President's Report - June 2014*

G'Day All,

Well I am back, and thanks to Eddie for standing in for me in my 2 months absence.

At our last meeting it was decided to not to go ahead with the Club House idea as we would be unable to meet requirements and finances for the proposed land .

It was also decided to have a camping/jam weekend in August (more information further on in this magazine) at Toomby's property Alice River which is not far out of town. The Bluewater night and the Fun Day have had to be moved for that month, and we will have the dates in the next issue.

Don't forget the Cent Sale coming up in July, any help with donations or time would be greatly appreciated, please see Maureen.

Our Youth Liaison Officer (Sammy White) has been working hard to make our SING LIVE afternoons a success, these afternoons are not for just the young ones, us oldies can still learn from them as well. You are more than welcome to come along on the last Sunday of the month at 1.00pm.

To all our Members who are on the sick list, get well soon, 'cause we miss you.

Country Always

*Darryl*

A couple of hunters are out in the woods when one of them falls to the ground. He doesn't seem to be breathing, his eyes are rolled back in his head. The other guy whips out his cell phone and calls the emergency services. He gasps to the operator: "My friend is dead! What can I do?" The operator, in a calm soothing voice says: "Just take it easy. I can help. First, let's make sure he's dead." There is a silence, then a shot is heard. The guy's voice comes back on the line. He says: "OK, he's dead. Now what?"

A young blonde woman is distraught because she fears her husband is having an affair, so she goes to a gun shop and buys a handgun. The next day she comes home to find her husband in bed with a beautiful redhead. She grabs the gun and holds it to her own head. The husband jumps out of bed, begging and pleading with her not to shoot herself. Hysterically the blonde responds to the husband, "Shut up...you're next!"

There was a blonde, a redhead, and a brunette. They were all trapped on an island and the nearest shore was twenty miles away. The redhead swam trying to make it to the other shore, she swam five miles, drowned, and died. The brunette swam ten miles, drowned, and died. The blonde swam nineteen and a half miles, got tired, so she swam back.
