President's Report for April

G'Day All,

Well we were lucky with the cyclone but we could have done with a bit of rain from it.

Toomby's invited the club out to Wonderland for their presentation night for their Pupils, and we had a great time. It is a real eye opener to see what Geoff and Vicki accomplish with the young people.

The sausage sizzles have been profitable this month , most selling out of sausages and drinks. THANKS to all that have helped.

Remember there is no Friday night in April as it falls on Good Friday, but the Funday is still on the 12th.

The April Jam Session will be held at Ray and Val Peters place (17 Sandstone Drive corner of Bellbane Street, Kirwan).

We have gone back to 3 songs at the Fundays, and to make sure we can continue with the 3 songs it is up to the Artists to have their band and chord charts (open at the first song) ready to go as soon as the previous Member has finished. To obtain an even flow please be at the backstage as the performer on stage starts their last song. Guitarists please get your guitar pack (where possible) before going on stage.

To any Members on the sick list get well soon we miss you.

Country Always,

Darryl

Four worms were placed into four separate jars. The first worm was put into a jar of alcohol. The second worm was put into a jar of cigarette smoke. The third worm was put into a jar of sperm. The fourth worm was put into a jar of soil. After one day, these were the results: The first worm in alcohol; dead. Second worm in cigarette smoke; dead. Third worm in sperm; dead. Fourth worm in soil; alive.

Lesson: As long as you drink, smoke and have sex, you won't get worms.
