President's Report for February

G'Day All,

Well 2016 has started in fine style, with the Members who went down to Tamworth making their mark with the best of them. Congratulations to you all.

This year look to be another busy one as there are quite a few sausage sizzles, (thanks to all the workers who pitched in at the last minute for the one at Bunnings Domain). I would like to thank Bunnings, Intersport and Toyworld for their continued support. These sizzles are a good fundraiser for the club.

We have two Pallarenda picnics organised, one in April and another in July.

The Jam Sessions will start again this month, with the first one at Laurie and Sue Reilley's, on the last Saturday. If you can hold a jam at you place let us know, as it is good to have them at different places.

We are looking to get a grant for Toomby's this year, and have got prices etc for the equipment needed. If you know of anybody we can approach for sponsorship for this event or the Festival, PLEASE talk to one of the Committee.

Our St Josephs starts off for the year on Friday the 5th February, followed by our Funday on the 14th.

I hope everyone has had a good restful holiday and got some new songs. The practice sessions at the Pitt Stop have started again on Wednesday and Thursday afternoons, so if you need help with your songs or chord charts come along and we give you any assistance that we can.

To all on the sick list we hope you get off it quick and join us again.

Country Always,

Darryl

HOW TO WASH A CAT: (Dedicated to cat lovers!)

1. Put both lids of the toilet up and add 1/8 cup of pet shampoo to the water in the bowl.
2. Pick up the cat and soothe him while you carry him towards the bathroom.
3. In one swift movement put the cat in the toilet and close the lid. You may need to stand on the lid.
4. At this point the cat will self agitate and make ample suds. Never mind the noises that come from the toilet, the cat is actually enjoying this!
5. Flush the toilet three or four times. This provides a "Power Wash" and "Rinse".
6. Have someone open the front door of your home. Be sure that there are no people between the bathroom and the front door.
7. Stand well back, behind the toilet as far as you can, and quickly lift the lid.
8. The cat will rocket out of the toilet, streak through the bathroom, and run outside where he will dry himself off.
9. Both the toilet and the cat will be sparkling clean.
