## *President's Report January 2014*

G'Day All,

Well Christmas and New Year is over for another 12 months and I hope you have all had a great time.

Not a lot happening this month only the sausage sizzle at Bunnings Northshore on the 18<sup>th</sup>, but, we will be back in swing in February.

We have now purchased some more radio instrument packs, so there will be even less leads on stage. Please remember to get a pack on if you are playing and the trick then is to remember to take it off again. There are 3 radio microphones, please ensure that the one you are going to use is turned on before your songs and PLEASE turn it off when you are finished. Val now has a deep freeze for the club use, which will save a lot of problems with the sausage sizzles.

You will notice that we have a couple of appointed positions still vacant, remember many hands make light work.

Please assist our Music Co-ordinator by having your songs and your backing band ready when it is your turn. This is your responsibility not his, and please start your song as quickly as possible.

To anyone that is on the sick list we hope you are well again soon.

Country Always

*Darryl*
